Hi Alan
Happy New Year to you and Elkstone.
Looking forward for this joint project.
Within 48 hrs my lawyer Udi Knaani will call you. He holds the documents. Later you both could talk to Darren the layer of JE to coordinate everything.
Amir, the CEO is not part of it. Udi will explain to you the structure.
Best to Nicole

Hi Ehud,
Let me know if we can help here.
I understand Nicole and you are agreed on her participating for $0.5m based on last valuation round.
If you or Amir have the agreement documents to share to enable this, please send to me and I can get the lawyers lined up our end to review speedily and close out.
Happy new year too – think a very exciting one ahead for Reporty!!
Regards,
Alan
